Mexico and Global optimism (net basis)

By 2022 the mid-market will grow by 26%

Strategic Growth Markets

GTIL 2018 GLOBAL RESULTS

Growth: revenue and people

Growth: by region

US \$5.4bn
2018 revenue

53,000+
People

700+
Offices

Over 135
Countries

Our distinctive client experience sets us apart

NB: 'countries' refers to where Grant Thornton has a physical presence

Service lines: growth & share of global revenues

Growth in comparison to competitors

Our growth and transformation agenda

What sets us apart is our genuine care for our clients, our people and the wider impact we have

The world around us is changing fast and we must lead that change

So we will seize this chance to disrupt and challenge the status quo

By Growing Together with focus, agility and pace

And by being transformational leaders who build a culture of innovation and collaboration

Together we will create the next generation professional services organisation

Our six strategic drivers

Drive a strategic growth agenda

Build a stand-out brand

Transform our Technology

Develop transformational leaders

Build a culture of collaboration and innovation

Focus on quality

Governance
